Orientation Meeting For
Incoming Students For The
Spring Semester Of The
2025-2026 Academic Year

PAMUKKALE UNIVERSITY GENERAL INTRODUCTION

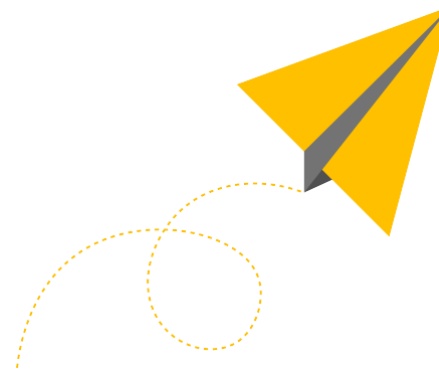

An aerial photograph of Pamukkale University campus. The image shows a large, modern university complex with various buildings, including a prominent cylindrical tower with a flag on top. There are several large parking lots filled with cars, and a central green field. The campus is surrounded by lush green hills and mountains in the background.

Pamukkale University was established in 1992.

Continuing its development in terms of physical infrastructure, research activities, and the number and quality of academic and administrative staff in the following years, Pamukkale University currently carries out its education, training, and research activities with 19 faculties, 17 vocational schools, 6 institutes, 1 college, 45 research centers, and 3 laboratories. There are currently 414 programs at our university.

PRIMARY GOALS

- High quality education
- Student-oriented education system
- Welfare of students
- Integration of students into the social environment
- A seamless study abroad experience
